1	I am a relative newcomer to Saline and hoped the Leadership Institute would help me find ways to contribute to the community and meet people. It did that and more. I looked forward to each session and felt a genuine warmth from the group. We each grew professionally and committed to making Saline a better place in the future. SLI was, without a doubt, one of the best gifts I have ever given myself.	Anne Balazs, Marketing Department Head, EMU College of Business, Class of 2010	testimonial	
2	This was a great opportunity to learn about people and organizations that I had heard of but knew little about prior to SLI. I cannot think of another venue that would allow such a vastly different array of people to spend such quality time together.	Jason Pickett, School Social Worker, Varsity Women's Basketball Coach, Class of 2009	testimonial	
3	You get a wonderful perspective on how a great community is built through the efforts of so many people from so many different disciplines. It was a richly rewarding experience.	Les Sharon, Principal, Harvest Elementary School, Class of 2008	testimonial	
4	They say that 'all politics is local.' Well, when you experience Saline Leadership Institute, you can say that 'all professional and personal development is local' too. The range of learning was amazingly wide. And it was all personally relevant to me as a local business owner and member of the Saline community.	Chris Kochmanski, Owner, DesignHub, Class of 2007	testimonial	
5	Saline Leadership vastly exceeded my expectations! Its diverse curriculum and world class instructors made the experience extremely rewarding. I learned a lot about what makes Saline such a special place.	Bruce Temby, The UPS Store, Class of 2006	testimonial	Yes
6	I was a very reluctant Leadership participant at first, but have found it so valuable in showing me how to get involved in the community. I am so grateful for the people I met and the skills I learned.	Stacey Breedveld, Executive Director, St. Joseph Mercy Saline Hospital, Class of 2005	testimonial	Yes
7	Being a part of the Saline Leadership Institute has been inspiring and educational.	Adam Nola, The Fabulous	testimonial	Yes
